Hi Jessa,

I have to say, that you are a very talented woman with endless knowledge of Isabella Gardner and I honestly wished the afternoon in Andover with you sharing about her did not end! Your knowledge of her life and how you portrayed her was not only mesmerizing I'm sure, I'm not the only one who wanted you to continue on and on and on! I truly appreciate your talent and felt as if the real Isabella was in the room talking to us. Wow. What a wonderful experience! Thank you so much! Please let me know how I can help in any way... You're wonderful! It was an unforgettable experience and I so enjoyed your performance!

What a gift you have and I'm so glad you share it! Capturing history in the way you do was not only unique, it is necessary to keep the arts alive and you do it so well!

Blessings and hugs,
