Dear Jessa -

First of all, Brava! "Margaret Fuller was a great success and one to which you brought your own sensitive insights: informed, eloquent and charming. The Unity Group was delighted. And our compliments on the aplomb with which you managed the "thundering herd" overhead and the electronic whining below. Full marks for thinking on your feet.

We all wish you good luck with your outstanding project. May it thrive!

Cordially, Betty Clark and Nancy Burdine for The Unity Group

Jessa -

Unity Group here in Lexington is looking forward to your March 9th. program with special pleasure since our February program was cancelled in the face of the horrendous winter weather. We will be meeting downstairs in the Parker Room at 12:00 for luncheon (you may join us should you wish to do so); our short business meeting begins at 1:30 with "Margaret Fuller" to follow. At least two of our members have read the recent Fuller biography and we all want to see your presentation.

Let us know what you might need in the way of advance preparations.

Cordially, Betty Clark, program co-chair with Nancy Burdine of Unity Group, First Parish Church, 7 Harrington Road, Lexington
