

# AMELIA EARHART

## *First Lady of the Air*

Tuesday, March 10 at 7:00 p.m.

Celebrate Women's History Month with a dramatic presentation  
about aviation pioneer Amelia Earhart  
followed by a walking tour of her Quincy haunts

Clad in basic aviator gear and bearing a striking resemblance to her subject, actress Jessa Piaia uses drama to reveal the Earhart of 1936, just before the historic around-the-world flight in 1937, from which she never returned.

*For adults and children aged 10 and up*

Saturday, March 14 at 10:00 a.m. (rain date March 21), join a walking tour of the area where Amelia Earhart flew in Squantum. Meet at the Squantum Point Park parking lot. For more information about the walking tour, or to verify the date in case of inclement weather, call 617-472-0799.
